HOW TO USE THE CENTRIX II SYSTEM

OFF CAMPUS LOCAL CALL:
Listen to the dial tone, dial "9" and immediately dial the desired 7-digit number. (No waiting for a second dial tone.)

INCOMING CALLS:
Off-campus callers dial the 7-digit number of your assigned telephone and thus bypass the switchboard. Example: "454" and the assigned number.

TRANSFERRING INCOMING CALLS:
Depress the switchhook one time momentarily (automatically puts calling party on hold). Listen for 3 "zip" tones. Dial the 4-digit number to which call is being transferred and when called station answers announce that you are transferring a call, depress the switchhook once again to connect all three parties. You may either hang up or continue a three way conversation. (Note: Only one of the three parties may be outside the Centrex system.) Any of the three parties may hang up at any time without disturbing the call. To transfer a call back to the Centrex operator, depress the swithhook once, listen for three "zip" tones, then dial "0". To make a conference call, dial 110 and give operator details of the call.

ZERO PLUS AND ONE-PLUS DIALING
REGULAR STATION-TO-STATION CALLS:
Dial "9" plus "1" plus the area code (if different from yours), plus the number.

PERSON-COLLECT-CREDIT CARD AND BILL TO ANOTHER NUMBER
Dial "9" plus "0" (plus the area code if different from yours), plus the number.

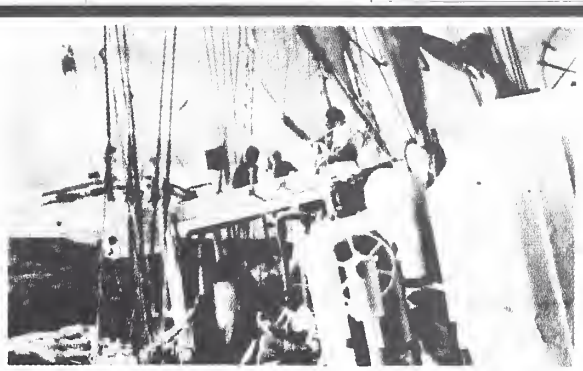
Take off your shoes.



Hit the deck in shorts and a tee shirt. Or your bikini if you want.

You're on a leisurely cruise to remote islands. With names like Martinique, Grenada, Guadeloupe. Those are the ones you've heard of.

A big, beautiful sailing vessel glides from one breathtaking Caribbean jewel to another. And you're aboard, having the time of your life with an intimate group of lively, fun-loving people. Singles and couples, too. There's good food, "grog," and a few pleasant comforts...but there's little resemblance to a stay at a fancy hotel, and you'll be happy about that.

Spend ten days exploring paradise and getting to know congenial people. There's no other vacation like it.

Your share from $265 A new cruise is forming now. Write Cap'n Mike for your free adventure booklet in full color.

DIAL 11 P.M. TO 8 A.M.

When the hassle and hussle of keeping up with the college day grind gets to you, take a little escape the 1+way. Phone that girl or guy back home between 11 p.m. and 8 a.m. It's a great time to save money on your long distance calls. So you can talk a little longer.

Dial the 1+ way and you can even afford to call your mom before that 8 o'clock class.

AND SAVE.

A Marine officer is a leader. Some of his leadership qualities he was born with. Some he acquired by tough training and even tougher experience . . . The point is: He can manage. Himself. His men. His missions.

A Marine officer is sure of himself. He welcomes challenge. He never takes the easy way out. Perhaps as early as his freshman year in college, he looked into Marine officer training and saw a challenge. And he was going to meet it. Or know the reason why.

A Marine officer is his own man. An individual. No two officers are alike. They're one of a kind. Yet they run curiously to type: as men who expect the utmost of themselves. And the men they command.

A Marine officer is imaginative. Resourceful. The spirit of "can-do" and "make-do" is as old as the Corps itself. The tradition is: Do the best you can with what you have. Do it promptly, confidently, completely. Do it "by the book", if it's in the book. But if it isn't in the book, write a new page. Yourself.

David J. Turner
Captain
U. S. Marine Corps

Officer Selection Office
Room *807, Baker Building
110 21st Avenue South
Office PH: 615-749-5185)
Nashville, Tennessee 37203

A Marine officer is ambitious. To him status quo means nothing. He sets his sights on advancement. And he has ample ways and plenty of opportunities to get ahead. The Corps has a vast educational system for advanced and professional training. In many fields: communications, engineering, science, law. Our programs make it possible for a Marine officer to become a full-time student at such institutions as The Wharton School.

A Marine officer is proud. Of his country. His Corps. He is proud of what he does and how he does it. He shares a pride that has been passed from Marine to Marine ever since the Corps was founded 200 years ago.

You may well want to hire such a man. We, of course, want to keep him. And find a few others like him. If you run across a man with his potential and can't get him for yourself, we'd take it kindly if you recommended us to him. We're looking for a few good men . . . who want to lead.

THE MARINES ARE LOOKING FOR A FEW GOOD MEN.

For once in your life...live.

A sleek graceful sailing vessel glides across the sometimes green, sometimes blue Caribbean. The cargo: you. And an intimate group of lively, fun-loving shipmates.

Uniform of the day: Shorts and tee shirts. Or your bikini if you want. And bare feet.

Mission: A leisurely cruise to remote islands with names like Martinique, Grenada, Antigua—those are the ones you've heard of. Before the cruise ends, you'll

know the names of many more. You'll know intimitely the enchanting different mood of each...and its own beauty and charm.

Life aboard your big sailing yacht is informal Relaxed. Romantic.

There's good food. And 'grog.' And a few pleasant comforts... but any resemblance to a plush pretentious resort hotel is accidental.

Spend 10 days exploring paradise. Spend ten nights watching the moon rise and getting to know interesting people. It could be the most meaningful experience of your life ...and it's easily the best vacation you've had.

A cruise is forming now. Your share from $245. Write Cap'n Mike for your free adventure booklet in full color.

Come on and live.
